“...If there is any virtue and if there is anything praiseworthy— meditate on these things.”
Philippians 4:8

A COMMENTARY BY NANCY L. WALKER

We live in an age of turmoil and division. Because of that, we sometimes miss the blessings and the good that is being accomplished. Just in our area alone, we now have more Christian homes for young pregnant women where they receive practical help, Godly counseling, love, and opportunities to further their educations. There is more practical and spiritual help for both men and women who are in dire straits than ever before. Churches are now offering counseling on weekly basis for a variety of issues such as PSA, drug or alcohol abuse, and so much more. We now (Kavanaugh will be appointed) have a conservative majority on the Supreme Court. Truth regarding the corruption in both our state and our national government is now coming to light! Oh there is so much more and as the Apostle Paul told us in Philippians 4:8: “...*whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy - meditate on these things.*” Let’s do it! Don’t misunderstand, there are horrible things happening, just abortion alone— we need to stand up, speak up, and understand the issues. However, it is best to look at the blessings first and foremost and never forget: Proverbs 21:30, “*There is no wisdom, in insight, no plan that can succeed against the Lord.*” He will prevail!

REFLECTING ON 2018

We know it hasn’t even been a full year yet, but here are a few things we have been up to!

- 1) The Great Debate** This past March we held an informative, educational Mock Great Debate. Over 70 people attended. We debated the Planned Parenthood stance verses the Pro-Life stance. This debate was inspired by the need for pro-lifers to have the tools to speak to pro-abortion men and women. We did make CDs of this debate so if interested in purchasing one please go to our web-site. It is our hope that we will do another one in 2019.
- 2) Website** We have re-vamped our website! It is active and very informative, check it out for yourself.
- 3) Truth Teams** WhyLife’s Truth Teams have been blessed to have gone into two churches and present the pro-life message to many teenagers. We sure would love to go into many more! If you would like us to do a presentation in your church or organization, please email us today!
- 4) Missions** We are privileged to support a Christian ministry for orphaned children in Africa.
- 5) Partnering** We also have drawn alongside For Christ & Life 365 by providing new and informative pamphlets that they pass out in front of the two remaining abortion clinics.
- 6) Upcoming** We are on the move and anticipate our invitations to go into churches with our Truth Teams! We also have an exciting event coming up in October. Flyer enclosed.

STATEWIDE & NATIONAL NEWS

It is vital to be aware of what is happening in our government regarding life issues!

Here are some brief updates of what is currently happening:

State We, as Ambassadors for Christ, must pay close attention to what is happening in our state. Yes, we live in one of the most liberal states in the USA, yet we must stand strong for truth. We are getting close to a very serious election and we must be counted. In Albany, the battle is on to stop the efforts to legalize assisted suicide. There are many working hard to stop the efforts to greatly expand abortion, which would allow non-doctors to perform abortion. However, there also is an effort to penalize certain forms of Christian counseling, which we know is really about pro-life counseling. To be even more informed, go to NewYorkFamilies.org!

National Republicans in D.C. are doing so much more than our media is reporting. There are very good things happening. Legislation just passed giving women equal income, the movement to defund Planned Parenthood is becoming strong, more tax cuts are on the way, and as stated earlier, Brett Kavanaugh will be appointed to the Supreme Court. Yet, all we hear or read is nonsense and outright lies created to cause anger, hate, and confusion. Let us be good "Bereans" (People who search for the Truth) and dig hard for what is real. Let us vote; it is one of the greatest privileges we have in this country. Remember, if we don't vote for the right person, we will have no one to blame but ourselves.

Roe V. Wade If it is overturned, as it should be, it would not change a thing in our state. Overturning Roe would put the legal right to an abortion back into the states. The only way to make abortion illegal in all states is to give the word "person" to the unborn baby. Giving the unborn baby personhood would make abortion murder. It sounds strange, but it is a fact. Furthermore, it does not look like that is going to happen. Just remember, in order to stop abortion, which is a symptom of a Godless society, it is the hearts of the people that must be changed.

IN OTHER NEWS

A Report from For Christ & Life 365

This is a ministry that goes to the two abortion centers left in our area. We are there Wednesday through Saturday in the mornings to offer help to the moms going in. We pass out informative packets of information and hold life affirming signs. This is an effective ministry created to shine the light in the darkness. Lives have been saved, hearts have been changed, and the reality of abortion is exposed. We are always looking for others to come and stand with us! If interested in joining us, please call Nancy Walker at 716-864-5800.

PRAYER SUPPORT REQUESTS

We also ask for your prayer support. It is so important to bring our needs to the Lord and ask Him for His guidance as we work in His field of ministry. Here are a few prayer points:

- 1) Hearts to be open to the Truth of the Gospel of Jesus our Christ
- 2) For more churches to invite our truth teams in
- 3) Our upcoming event to be attended in great numbers
- 4) Our sidewalk counseling ministry to be effective at the abortion centers
- 5) For our local, state, and Federal governments and their leaders to obey and respect the Constitution
- 6) That our website would get even busier

From the bottom of our hearts, we thank you for your prayers and partnership in this important ministry!

TO THE LORD JESUS CHRIST BE ALL THE GLORY!
